Re: AISC Quality Management Certification Status

Dear Mr. Zanetti,

Thank you for taking the steps necessary to be in the process of maintaining certification in the category(s) of Standard for Steel Building Structures, Certified Bridge Fabrication-Advanced(Major), Standard for Bridge and Highway Metal Component, Sophisitcated Paint Endorsement-Enclosed, and Fracture Critical Endorsement by the American Institute of Steel Construction(AISC).

The certification for your facility located in Polcenigo (PN), Italy will expire on 6/30/2016 This letter is to officially extend the certification for your company until 8/15/2016 and our records will be revised to show that your existing certificate is in good standing until that time.

For all certification program inquiries, please feel free to contact [certification@aisc.org](mailto:certification@aisc.org) or 312.670.7520 – for all technical inquiries, please contact the Steel Solutions Center at [solutions@aisc.org](mailto:solutions@aisc.org) or 866.ASK.AISC.

Sincerely,

Jacques Cattani  
Vice President
